Hi AmyMarie,

I just got off the call with Michael and Will. We will be having meeting with upper management Monday morning to figure out the details. I need WSP to review and provide a clean version of the FS. Is it possible to get a clean version early-ish Monday?

## Ex. 5 Deliberative Process (DP)

For tables and figures, do what you can for them to make sense (if these will be time consuming call me and lets figure something out). Remember, approvable not perfect.

Let me know if the word document is locked again. Also, I am not sure whos name is going on the document, for now leave it with WC.

Give me a call any time this weekend. I am helping people move Saturday but I can take a call. Sunday I will have more free time.

Lastly, I am sorry, I hope PPG didn't ruin your weekend.

Josh
